EXCERPT FROM THE CONDITIONS REGULATING GOLD SHIELD WARRANTY POLICY NO. 108945397

Subject of the insurance

Whereas the Insured Party is a company that produces and sells waterproofing treatments, with bitumen membranes and similar, it is hereby acknowledged that:

- a) The Company undertakes to compensate the Insured Party for expenses sustained by the latter, for total or partial redoing of the installation work and for removal of the insured products, including the counter-value of the same, if said work becomes necessary in accordance with laws in force at the time of stipulation of the policy or in accordance with the supply contract or further to damage indemnifiable under the Product Liability Guarantee Policy, on condition that the products are manufactured or sold by the Policyholder.
- b) The Company furthermore undertakes to compensate the Insured Party for any expenses sustained by the latter for the removal, redoing and/or fixed flooring above the multi-layer covering system, including the counter-value of the same.

Commencement and termination of the guarantee

The guarantee applies to the products sold and installed during the validity period of the policy and runs from 24.00 on the invoice date of the product sold and takes effect from 24.00 on the day of shipment with registered electronic mail or registered mail to the Company of the Certificate of Insurance from the Policyholder and ends 10 years after the invoice date of the product sold, understood that the Company will not respond beyond the maximum compensation agreed.

Limited to the waterproofing treatments installed in Germany, UK, Eire, Cyprus, Sweden and Norway the period of the policy it is extended to 15 years, without prejudice to the methods of communication and coverage set out above.

It is agreed that in the event of cancellation of the policy for any reason, the Company is nevertheless obliged to maintain the policy cover operative from the date of cancellation to the scheduled expiry of the guarantee, for work completed during the validity of the policy on condition that the relative premium and adjustment have been paid according to the provisions of the General Insurance Conditions; this extension is furnished with an indemnification limit equal to the maximum coverage per claim which remains the maximum compensation the Company will pay for the entire overall remaining duration of the services guaranteed by the policy, whatever the number of claims.

Risks excluded from the Insurance

The following damages are excluded from the guarantees:

- a) damages deriving from installation, by whomever performed;
- b) damages deriving from tampering or mechanical and manual abrasions occurring after installation of the product insured;
- c) damages deriving from lack of or insufficient maintenance of the product applied, on the part of the persons whose duty or interest it is to provide for said maintenance; incorrect use, negligence or inexperience of the users;
- d) damages deriving from abnormal phenomena of settlement of the buildings, cracking of the installation surface, movement of thermal insulation material;
- e) damages deriving from exceptional meteorological or endogenous events (for example snow, earthquakes etc.); damage caused by rust, corrosion, oxidisation or scaling;
- f) damage to appearance which does not affect operation of the products insured.

Compensation limits

It is noted that, unlike what is indicated on the front page of the policy under the heading LIMITS, the third party liability guarantee (RCT) must be understood as provided with the following compensation limits:

The limit of euro 1.000.000,00 represents the maximum compensation of the Company for claims occurring in the same insurance year and with a maximum of euro 250.000,00 per individual claim.

NOTE

The insurance guarantee is regulated by the General and particular Conditions specified in the policy no. 108945397. Those listed in this certificate are only a summary thereof. In the event of a claim, reference will be made exclusively to the provisions of the insurance contract.

The insurance will operate on condition that:

- a) the waterproofing system is provided according to the basic directions indicated by Matco S.r.l. and by firms and/or persons recognised by it;
- b) all the components of the waterproofing surface are produced by Matco S.r.l.;
- c) payment of the materials supplied by Matco S.r.l. has been made.

In the event of damage occurring, within 10 days from said event the beneficiary shall (on pain of lapse of the guarantee) send a written report by registered letter exclusively to MATCO SRL – VIA QUADRELLI 69 – 37055 RONCO ALL’ADIGE – VERONA – ITALY.
